**The company started with a single owner in 1998. Since the beginning ICI has made customer service a top priority, our attention to detail and customer service caught the attention of many prestigious clients. ICI never strayed from these values, and the demand for our quality and our attentiveness has allowed ICI to grow into a full service company. We have a solid rapport with leading companies across many industries. As ICI continues to grow, we maintain our reputation of being able to handle the demands of large jobs while keeping the integrity of a family business. We remain dedicated to our core values: Honesty, Integrity, and most importantly, Loyalty to Customers and Employees. Taking care of employees is of tremendous priority, ICI does this through: competitive salaries and benefits, while also maintaining a work/life balance.**
